

## Waste Expo Australia

Brings together Australia's key solution providers in the waste management, recycling, resource recovery and sustainability sectors, showcasing the very latest technology, products, and turnkey solutions.

### Waste Expo Australia will feature:

#### Ultimate Sourcing Platform

Waste Expo Australia will feature over 75 suppliers showcasing their latest products and services.

#### Waste Evolution

Waste Evolution – 'brought to you by Inside Waste' will showcase new technologies and products set to change the future of waste management and resource recovery in Australia.

#### Business Matching

The Waste Expo Australia Business Matching Program is a new service providing a personalised itinerary of meetings and content sessions that match your specific needs.

This tailored program will ensure you get the most out of your time at the show.

#### All-Energy Australia

Waste Expo Australia is co-located with All-Energy Australia, Australia's most comprehensive clean and renewable energy event. This free-to-attend event will feature:

- 120+ Industry Speakers
- 6x Conference Streams
- 120+ Exhibitors
